HYDROMETEOROLOGICAL SERVICE SHIFTED  
 TO MINISTRY OF AGRICULTURE USSR

Comparison of the 1953 and 1954 Handbooks for Entrants to Secondary Special Educational Institutions (Spravochnik Dlya Postupayushchikh v Sredniye Spetsial'nyye Uchebnyye Zavedeniya v 1953 g., and Spravochnik Dlya Postupayushchikh v Sredniye Spetsial'nyye Uchebnyye Zavedeniya v 1954 g., Sovetskaya nauka Publishing House, Moscow) reveals that the Main Administration of the Hydrometeorological Service (Glavnoye Upravleniye Gidrometeorologicheskoy Sluzhby, GUGMS) has been transferred from the Council of Ministers USSR to the Ministry of Agriculture USSR.

On page 36 of the 1953 handbook, the Tuapse Marine Hydrometeorological Tekhnikum is listed as subordinate to the Main Administration of the Hydrometeorological Service under the Council of Ministers USSR. The 1954 handbook (page 68) lists this tekhnikum under the Main Administration of the Hydrometeorological Service of the Ministry of Agriculture USSR.

A note by the editors of the 1954 handbook stated that the book was based on information of 1 January 1954.
